MESSAGE: Dear Mr. Johnson,

Based on my surgery I have been unable to respond to your telephone call and follow up on your offer to explain what it is you wish in this case to comply with your brief requirements. I am now in the office from time to time and can engage in a discussion about the case on Thursday morning, August 28th, at 9:30 am.

We would like to move on with this case but it seems that every time we respond to your comments you find additional issues to notify us of. As the spirit of the Patent office is to move these applications forward it is in that vein that I will enter into a discussion with you Thursday morning as to how to amend the brief to your satisfaction.

If, for any reason, you cannot comply with this request please inform me by return Facsimile or e-mail and perhaps give an alternative time on Friday morning. Thank you.
